AVALARA TAX COMPLIANCE

CAI xTuple works with Avalara, the leader in sales tax automation for businesses of any size, providing transaction tax compliance services, including tax calculation, exemption certificate management, returns processing and 1099 filing and reporting. Beginning with xTuple 5.0.0, tax compliance is available with your purchase of an AvaTax subscription from Avalara. Then, you're only a few configuration steps away from using the service with your xTuple system.
